Talking points for 1 24 14 call.docx

I believe these are the talking points Kathy was referring to. I will print a couple of copies. (I don't know why the attachment is inside the email like this, but it should hopefully still open for you).

Hi Trina,
Attached are the 1/24 talking points in Microsoft Word format. The content is the same, I just cleaned them up so they're easier to look at. Jason suggested you might want a copy.

Thanks. Jared will try to call Cal today. Thank you Kathy for your previous email with those talking points. I've recommended that if they don't connect today, then Abi and his admin set up time tomorrow to talk. I'll keep you posted of this outcome.

I still have the TPs from the 24th call, which I'll print out for Jared too.

Hi Trina - We haven't seen an agenda from Horst, so it's hard to write talking points for Friday. But if it picks up where we left off (i.e. NOT covering the issues we were supposed to on 1/24), the TPs we provided for the Jan 24th call are still valid (they were printed in his travel folder, but I can resend if needed). Since the trip, Jared has had a conversation (or attempts) with Cal Joiner (FS), the upshot of which the team is not privy to, and I suspect that will be the meat of his focus in talking with the assembled federal family on Friday.

Regarding the 12th, Jane and I are meeting at 1:00 today to scope that agenda, and we may want to further modify messaging after the CEQ call this Fri. So we will plan on your 2/10 deadline at latest but shoot for earlier (COB Fri).

Thanks - Jason

I just wanted to confirm that the R9 Rosemont team have this call on their calendar, as Jared did

not. Let's meet in the conference room outside of Abi's office for the call.

Can the team please create brief talking points for Jared for this call, as well as his tentative meeting with the Army Corps Col. on Wednesday, 2/12 in LA? Can I please have the Col. talking points by Monday, 2/10 4pm? Please keep us posted of the time the Col. and Jared can meet Wednesday afternoon.

Thank you for all your work!
